LOG BOOK

St. Joseph's College of Education for Women maintains a log book for documenting all events during a year. It is a record used to file details and events relative to curricular and co-curricular activities for acquisition of the requisite knowledge, skills, attitudes and competencies. The log book ensures all required information in a logical manner. We keep all the information of our institution activities in the form of log book.

The incharge of this record will be the association members of the staff and the students.
