Founder's Day

St. Joseph's College of Education for women, Guntur celebrated the feast of Saint Mathias Wolf as Founder's Day on 31-10-2022. He was the Saint who found the congregation of JMJ. To give glimpses of his life, a power point presentation was given through which we learnt to a great deal.

Mathias was born to Mathias Wolff and Anna Maria Zenner on 6th March 1779 in Die Kirk; He was brought up in an atmosphere of 'Kindness always and severity when necessary. Later Mathias was ordained as a Diocesan Priest in 1802 and totally dedicated himself to God for serving the people. The impact of French revolution affected him adversely. It moved and prompted Fr. Mathias to take some initiatives towards education of the girls. He thought of encouraging willing girls to join hands to bring the change in the society. Thus, Fr. Mathias Wolff decided to start a woman's congregation to educate the poor girls and to reach out to those in need.

Thee first three girls he started with were Maria Stichters, Sophie Miltner and Lubuina van Elck He got them trained, and they professed as catholic Nuns and later a new Congregation for Women was founded on 29th July 1822, in Amersfoort, and named it as the Society of Jesus Mary Joseph (JMJ). The JMJ Congregation is rendering a great deal of service both nationally and internationally in various fields of which Education, Health and Social service being the prominent ones.

St. Joseph's College of Education for Women conducted TLM workshop on 17/07/2019. Students are diving deep into the creative and innovative aspects of preparing Teaching Learning Materials (TLMs). Our dedicated workshops and classes focus on enhancing students' intellectual and thinking skills, pivotal in crafting effective and engaging educational tools.

Through these sessions, students are encouraged to think outside the box and use a variety of materials and digital tools to create TLMs that are not only informative but also stimulate learning and curiosity among students. The process of TLM preparation involves brain storming, planning, and executing ideas that incorporate visual, auditory, and kinesthetic learning styles.

Our students have access to a wealth of resources, allowing them to experiment with different home stand technologies. From traditional paper-based materials to interactive digital presentations, the emphasis on creativity and innovation. The Galisteo prepare future educators who can tailor their teaching strategies to diverse learning environments and needs.

Founder's Day

St. Joseph's College of education for women, Guntur celebrated the feast of Saint Mathias wolf as Founder's Day on 31-10-2019 for it was he who found the congregation of JMJ. To give glimpses of his life, a power point presentation was given in which we learnt to a great deal.

Mathias was born to Mathias Wolff and Anna Maria Zenner on 6th March 1779 in Die Kirk; He was brought up in an atmosphere of 'Kindness always and severity when necessary. Later Mathias was ordained as a Diocesan Priest in 1802 and totally dedicating himself to God in the service of others. The impact of French revolution affected him adversely. It moved and prompted Fr. Mathias to take some initiatives towards Education of the girls. So, he thought of encouraging willing girls to join hands to bring the change in the society. Thus, Fr. Mathias Wolff decided to start a woman's congregation to educate the poor girls and to reach out to those in need.

Three first three girls he started with were Maria Stichters, Sophie Miltner and Lubuina van Elck He got them trained, and they professed as catholic Nuns and later a new Congregation for Women was founded on 29th July 1822, in Amersfoort, and named it as the Society of Jesus Mary Joseph (JMJ). And the rest is the present scenario we know the JMJ Congregation renders a great deal of service both nationally and internationally in various fields of being the prones.

The college organized a vibrant and spirited march, which saw an enthusiastic participation from students, faculty members, and various stake holders. The participants, adorned with banners and placards bearing empowering messages, marched through the designated route, drawing attention to the significant contributions of women in society and advocating for their rights and equal opportunities. This event not only served as a plat form for raising awareness about the challenges faced by women but also celebrated their achievements and resilience. The march was a testament to the college's commitment to fostering an environment of inclusivity and respect, aligning perfectly with the global theme of International Women's Day 2019.
