Swachh Bharat Mission was launched throughout length and breadth of the country as a national movement. While leading the mass movement for cleanliness, the Prime Minister exhorted people to fulfil Mahatma Gandhi's dream of a clean and hygienic India. "Cleanliness is next to Godliness." It is the mantra of Mahatma Gandhiji, Father of Nation. He demonstrated, propagated and insisted for individual and community cleanliness throughout his life. Following his footprints, Swachh Bharat Mission campaign achieved encouraging results. This vision will be translated into action by bringing in community participation for clean toilets and integrated waste management to make people defecation free, zero waste, dust free, plastic free and green. Our B.Ed. and M.Ed. students have organised rally to bring awareness to keep surrounding clean among community people residing at NAMBUR village under the guidance of our faculty. It is everybody's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases. Our student teachers took up the mission of cleaning the campus, Toilets and hostel. to promote Swachh Bharat mission.
