Strategic planning of the institution:

Strategic planning of the institution plays a vital role in successful accomplishment of the vision and mission which it dreams. Strategic planning is a continuous process with a specific emphasis on accomplishing institutional goals in the highly competitive world. The basic strengths of strategic planning and abilities to help align the organization with its environment. The strategic planning and deployment is formulated based on the analysis of present challenges and future opportunities and it envisions the direction towards which the institution should move to achieve its set goals and objectives.

Our Vision

“St. Joseph’s college of Education for women, a center of Excellence in realm of Teacher Education fosters an inclusive, innovative, and transformative hub of knowledge to grow as an exemplary seat of higher learning. It aims to be a resource center for community that renders selfless service to lead future generations with compassion, competence, and a global perspective.”

Our Mission

“We train women teachers by imparting quality education for the holistic development with emotional integrity, intellectual ability and social commitment with high moral and spiritual standards, to prepare future citizens with global vision

III. Research culture

(1 Formation of research policy).

Research Policy

Preamble:

The purpose of this document is to present a research policy frame work for the faculty of SJCE. In the present fast developing technological world where research is dynamically progressing the teacher educators who are the architects of the future teachers need to continuously update themselves for the new knowledge. Hence there is a need to build up research environment, provide adequate support and facilities for the teachers and researchers. SJCE is taking much interest and initiative to support and encourage the family members to continue their Ph.D. work while in service.

Aims of the Policies:

1. To provide guidelines for conductance and publication of Research work.
2. Granting study leave for research field work.
3. Granting seed money for doctoral studies.
4. Provide essential infrastructure to support for research projects and research work.

Guidelines:

Research Committee will be responsible for conducting all the activities related to research like granting funds, study leave, providing infrastructural facilities etc. for the Research Support.

Research Policy:

SJCE has designed the proactive policy to promote the research, motivate the faculty members and students to undertake research activities adopting the following norms.

- (1) Grant to present papers in national and international conferences.
- (2) Research funding for the projects.
- (3) Seed money will be provided for Doctoral studies.
- (4) Provision of study leave for research field work

(5) Organizational support for research work.

(2). Formation of research center

Code of Ethics for Research Scholars and Research Centre

St. Joseph's College of Education for Women,(SJCE) Guntur, has mandated research guides, research scholars and the system of assessment of academic and research work leading to award of degrees at Masters and Research level in the form of thesis, dissertation and research publications, chapters in books and other similar work which reflect the highest element of academic integrity and originality observed as per stipulation of the college and University Grants Commission (UGC). SJCE College undertakes to comply with provision formulated by the UGC in its draft policy "Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions Regulations, 2018", Draft Policy note number: F.1-18/2010(CPP-II).

Our College, gives utmost importance to encouraging its faculty to follow ethical guidelines established by the college and the UGC in carrying out the research activities under which the college has established internal ethics committee for research involving human and animal subjects. The research proposals have to be approved by the committee.

Plagiarism Check is another important requirement that the college insists for all the M.Phil. and Ph.D. theses to go through plagiarism check and the certificate is to be submitted with the signatures of both the research scholar and research guide concerned. The research scholars are encouraged to make use of the available online free software to check research articles, proposals, project reports, besides using plagiarism check to regulate the student's projects.

The College encourages the departments to conduct workshop in research methodology where ethics in research is an integral part, awareness is also created to faculty members by invited talks on IPR, Patents and ethics in research.

Software is made available in the college to check research articles, proposals, project reports, besides using plagiarism check to regulate the student's projects.

The College encourages the faculty members to conduct workshop in research methodology where ethics in research is an integral part; awareness is also created to faculty members by invited talks on IPR, Patents and ethics in research.

SJCE College shall consider all incidents of misconducts of research seriously and shall ensure initiating of enquiry process and adjudication of such misconduct. Our College views research misconduct as an extremely disturbing element and consider it as a threat to the basic principles and standards of research in the college which strives to promote and maintain outcome based research which has social relevance.

(3). Organising research seminars

Organizing research circle / internal seminar / interactive session on research

Our Research Supervisors provide adequate guidance to all the research scholars and M.Ed. students to successfully complete their dissertation work. In this regard, every year the college conducts an internal seminar to orient the students about the various aspects of research like identification of research problem, review of related literature, research proposal preparation etc. This year the college conducted internal seminar on 4.08.2018. Eminent Research experts Prof.T.J.Rajendra Prasad and Prof.D.Bhaskara Rao oriented the gathering about research issues.

Workshop on NAI-TALIM

A workshop was conducted on 'Nai-Talim' on 8-10-2018 in view of the 150th birthday of Sri Mahatma Gandhiji. The workshop was conducted from September 25th to 2nd October. Mrs. Aruna, Lecturer from Mahatma Gandhi Institute of Rural Development was the resource person. Her speech brought in lot of awareness about 'Nai Talim, or Basic Education, which is a principle that asserts, knowledge and work are not separate. Mahatma Gandhi promoted an educational curriculum with the same name based on this pedagogical principle.

In the second programme conducted on 27.10.2018 on Nai –Talim, Mr. Diwakar was the resource person and conducted many activities of Basic Education like tailoring, embroidery etc. In this program Mr. Narayana, controller of Intermediate Examinations, also addressed the students on Nai Talim.

Teaching AIDS Workshop

St. Joseph's College of Education for Women conducted TLM workshop on 17/07/2019. Students are diving deep into the creative and innovative aspects of preparing Teaching Learning Materials (TLMs). Our dedicated workshops and classes focus on enhancing students' intellectual and thinking skills, pivotal in crafting effective and engaging educational tools.

Through these sessions, students are encouraged to think outside the box and use a variety of materials and digital tools to create TLMs that are not only informative but also stimulate learning and curiosity among students. The process of TLM preparation involves brainstorming, planning, and executing ideas that incorporate visual, auditory, and kinesthetic learning styles.

Our students have access to a wealth of resources, allowing them to experiment with different formats and technologies. From traditional paper-based materials to interactive digital presentations, the emphasis is on creativity and innovation. The goal is to prepare future educators who can tailor their teaching strategies to diverse learning environments and needs.

Dr. B. Venkata swamy lecturing to the students on DSC & TET on 24-3-2021.

Career Guidance for Working in Teams

At St. Joseph's College of Education, teacher educators has developed a robust program to guide students on effectively working in team on 11/9/2019. Understanding the importance of collaboration in the educational environment, they offer practical suggestions and strategies to enhance teamwork skills among the students. This guidance covers aspects such as clear communication, role assignment, conflict resolution, and the importance of mutual respect to support within a team setting. These sessions are designed to prepare future educators not only to work collaboratively with colleagues but also to foster these skills in their own classrooms. The program emphasizes the value of diverse perspectives and the synergy that can be achieved when individuals come together with a common goal, thereby enriching the learning experience for all members involved.
