

# **St. Joseph's College of Education for Women, Guntur**

## **Student Satisfaction Survey - A Report**

**2022 - 23**

A survey had been conducted on students about their satisfaction of their college experience by the St Joseph's College of Education. The topics covered in the survey include academics, service sector, co curricular activities, library, hostel and other areas of learning. Students expressed their joy being a part of service sector. They stated that they are ready to take up any kind of task to improve the standards of living of the slums. Students enjoyed doing service being in groups. Students expressed that those kinds of activities helped them stay together and helped them develop cordial relationship among themselves. They stated that they loved the concept of 'learn to teach'.

The survey was conducted on student teachers and M.Ed students. The following points are comprehensively experienced by the student teachers in the survey.

- About 90% of the Student teachers expressed their greatest satisfaction being part of service outside the college premises.
- About 95% of the students expressed their satisfaction regarding the follow up of teachers in their maintenance of records and other projects allotted to them.
- About 85 % of students expressed their satisfaction regarding the help they get from faculty and senior students in their process of learning.
- About 90% of the students expressed their satisfaction regarding improvement of their skills in language learning.

Each and every response is taken into consideration to improve the standards of the forth coming batches.
